CCT Venues-Barbican Experts in Event Space

Refurbished and modernised in 2016, CCT Venues-Barbican offers a professional environment in a superbly convenient City location. The venue occupies the whole of Aldersgate House, on the corner of Aldersgate Street and Long Lane, in London EC1. The 20 training and meeting rooms are arranged over five floors and offer a range of bright, airy spaces, with large windows and individually controlled air conditioning.

CCT Venues-Barbican has a great mix of room sizes, with capacity for groups of 4 to 150. The venue has a strong reputation for superb service and expert management of training events.

In addition to great rooms, the venue also has a modern top floor Sun Restaurant, with capacity for over 140 and offering a range of freshly prepared food from our in-house chefs. All other floors have refreshment areas with tea and coffee facilities.

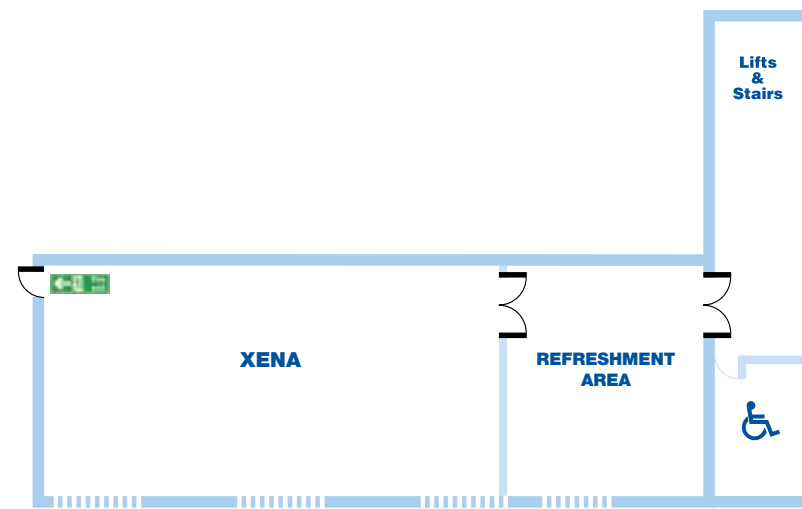

All rooms are well equipped with modern furniture, quality audio visual equipment and powerful data links. Events are supported by our first class, highly experienced team who put warm, professional service central to everything.

You'll find the venue directly next to Barbican underground station and only a few minutes' walk from CCT Venues-Farringdon and CCT Venues-Smithfield. City Thameslink mainline, Farringdon, St Paul's and Moorgate tube stations are also just a short walk away.

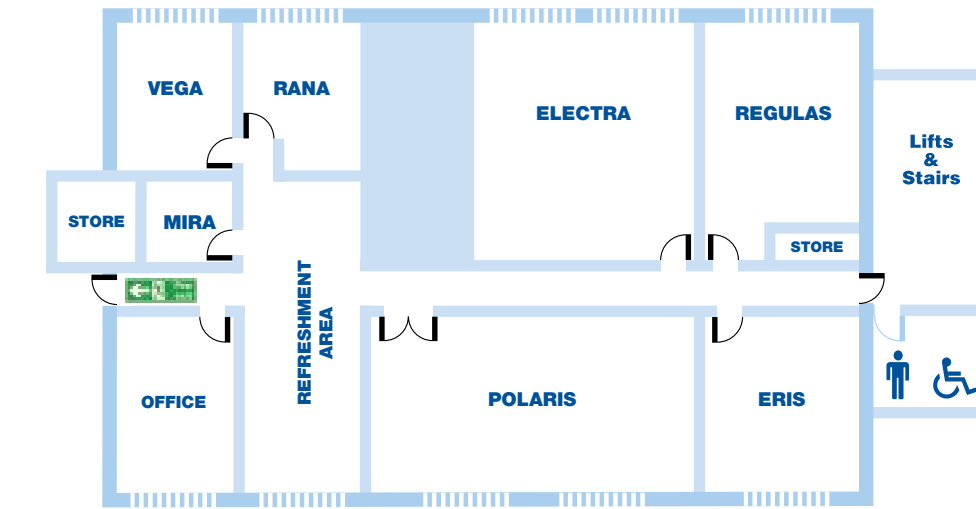

CCT Venues also have locations in Canary Wharf, offering great choice across London's busiest business districts.

"Thank you so much for the wonderful organisation of our meeting. Everything was very smooth and we were all really impressed with the venue, facilities and food. The team took the stress out of the entire process."
London Council

"I am very happy with CCT Venues' whole service, which has been very friendly, helpful, efficient and easy to deal with. I would definitely recommend holding meetings here - everything ran smoothly and we were well looked after at the Barbican venue - there was a lovely choice of good food too!"
