CCT Venues Plus-South Quay, Canary Wharf has resided in this highly convenient location since 2008, providing great space for a wide range of events and a short distance from the vibrant business district. In August 2014, we upgraded to a 'Plus' brand offering *Superior Corporate Event Space*. The new venue boasts wide corridors and lounge areas which create a relaxed atmosphere in a highly tailored corporate environment.

The venue has a large reception area, on trend restaurant with waterfront location, many large training/meeting rooms, and smaller rooms for meetings or assessment centres. The East Wing is ideal for conferences and larger training events. The cleverly designed space has interconnecting rooms creating space ideal for multiple events of up to 400 delegates.

All rooms have individually controlled air conditioning, and are designed for comfort. The waterfront location and big windows create a calm and tranquil ambience.

At CCT Venues, superb customer service comes first ensuring fantastic customer loyalty. Rooms are well equipped with excellent audio visual equipment, superfast data links and free Wi-Fi.
